

Orchestra I Classes

(little or no experience on a musical instrument)

Violin and Viola Class

circle one that sounds cool to you

Violin
is the smallest instrument of the orchestra and has the highest sound.

Viola
is the third largest instrument and has a deeper, richer sound than a violin.

Name:

Orchestra II Class

For students who have already taken orchestra I, or have at least one year of private lessons or orchestra.

circle the instrument you play

Cello and Bass Class

circle one that sounds cool to you

Cello
is played upright and has a low and a high sound and sometimes plays the melody.

Bass
is the biggest instrument with a deep sound. It is the foundation of the orchestra.
